M. A. BELLINGER, PHONE 54**HEARD ON THE STREET**BABE RUTH, HOME RUN KING,  
WAS BENCHED FOR  
WEAK HITTINGNew York—Babe Ruth, the all-  
time home run king, was benched  
apparently because of weakness at  
bat for the first time since he be-  
came a big league star.After getting only two hits in 17  
trips to the plate, the man who  
blasted out 40 home runs in 1927,  
found himself warming the New  
York Yankees bench during the  
second game of the double header  
with Detroit. Young Dile Walker  
replaced him in left field.Experts and fans hoped it was  
only a temporary measure to give  
the Babe a chance to freshen, but  
they were forced to wonder if it  
might be a warning that the years  
had caught up with Ruth and that  
he might be playing his last sea-  
son.The 29 year old Ruth, now in his  
26th season and his 14th with the  
Yankees, has not done well on the  
Yankee present disastrous road  
trip. His recent slump came just  
when the American league was tak-  
en over by Washington. With the  
club slipping, Manager Joe Mc-  
Carthy could not let sentiment in-  
terfere. However McCarthy insist-  
ed the Babe had asked for a rest  
because of the heat.ALL HAIL TO THE  
NEW TITLEHOLDERPino Carnera, the Audubon Alp,  
from Italy is the new heavy weight  
boxing champion of the world. At  
the Madison Square Garden bowl  
on Long Island the huge Italian  
took all in the way of punishment  
that Jack Sharkey, defending title  
holder could deliver, and then in  
the sixth round Carnera cracked  
the tentative Boston job right up  
on the chin and it was all over but  
the cheering. In the words of  
Jimmy McLaughlin, Sharkey was  
knocked colder than a mackerel.Carnera, the circus prodigy of a  
few years ago, the man who was  
held up to ridicule and who was ac-  
cused of building up a reputation  
by knocking down set ups, has  
started the boxing world just as  
Max Baer did recently when he  
stopped Max Schmeling of Ger-  
many. The Italian will now be re-  
quested to take on Baer in a cham-  
pionship bout and another battle  
of the century is anticipated.It is no second guess to say that  
Sharkey never was a great heavy-  
weight boxer. He had the science,  
but he lacked competitive spirit  
and courage, otherwise he would  
not have been outpointed by JohnDillon five years ago. Had he tak-  
en the decision in that eventful  
fifteen round bout he would have  
been matched with Gene Tunney  
and if this had happened he would  
have had no chance to become the  
champion of the world. In the part  
sage of the ring, Tunney would  
have cut him to ribbons.When Carnera first appeared in  
the flat scene, sports writers  
reacted in disbelief. They didn't  
think that any so called circus  
clown could make his way to first  
base, in boxing. They said so, Mr.  
D'Arcy Hinds of Toronto dis-  
agreed. Last night Standard tele-  
phone rang and the following con-  
versation resulted:Are you the Sports Editor of  
The Standard? Yes, came the reply.  
Who won the bout? What bout?  
Why the Carnera-Sharkey bout.  
Carnera in the 6th. I predicted so,  
said the exultant Bill Tierney as  
he banged up the receiver. And  
there you are an Irishman, suc-  
cessing an Italian.**GOLF MIRACLE**Denver, Col. William Kennedy,  
slipped when he started to drive a  
golf ball off the third tee of the  
Evergreen Club course. He missed  
the ball.In an attempt to prevent this, he  
scrapped his feet before taking his  
stance to drive again.His cleats dug up a \$100 dia-  
mond that his golfing partner,  
Frank Marino, had lost out of a  
ring while he was playing the hole  
on an earlier round. Marino didn't  
know the diamond had been lost  
until Kennedy found it.**MONTREAL MAY GET  
ST LOUIS CARDINALS**Montreal—Montreal will have a  
major league baseball team next  
year, if plans now under way are  
materialized, the Montreal Gazette says.  
It learns from an authoritative  
source. The plans call for the  
transfer here of the franchise of  
the St. Louis Cardinals in the Na-  
tional League. Recent rumors have  
been to the effect the St. Louis  
Browns might be brought here but  
the newspaper says negotiations  
are now definitely under way to  
bring the Cardinals to Canada.The situation appears to be this,  
the paper says. Owner Phil Ball  
of the St. Louis Browns and also owner  
of Sportman's Park, St. Louis, is  
willing to release the Cardinals  
from their lease, believing the City  
of St. Louis can no longer supporttwo major league ball clubs.  
The Browns and Sportman's  
Park represent an investment of  
\$250,000, and owner Phil Ball  
figures he has too much tied up in his pro-  
ject at St. Louis to move elsewhere.  
However, he is willing to let the  
Cardinals from their contract.Leo Dandurand and Joe Cattar-  
linich who were the first to make  
the move to bring major league  
baseball here, have been in touch  
with President Breiden of the  
Cardinals and it is believed the  
National League franchise could  
be obtained if the local apartment  
were able to make satisfactory ar-  
rangements with the Montreal Ex-  
hibition Company which owns the  
local stadium.Canada's two transcontinental  
railways paid the Government of  
Alberta the sum of \$5,423,000 at the  
first of June as second cash pay-  
ment on the purchase of the  
northern railways, formerly owned  
by the provincial government, but  
sold to the C.P.R. and C.N.R. for a  
sum exceeding \$26,000,000. The  
northern roads are operated joint-  
ly by the two railways.**ON DISPLAY TODAY THE NEW FORD V-8**The roomiest and most powerful Ford car

## ROCKYFORD

The double header basketball game between Wayne and Rockyford drew a good crowd on Friday afternoon of July 2nd, the boys of Wayne playing a good game. Bill Miller called the game for the first period, and a close score of 4 to 5 was in favor of the valley team. The second game had Mr. H. Knight umpire and it was very close during the first 45 minutes. Rockyford winning by 10 to 5.

The Rockyford football team again had a very pleasant game with Rosedale on the 2nd of July this time carrying off the honors. Mr. and Mrs. C. R. Walrod are present on a motor trip to visit relatives in Creston B.C. They expect to be away a week or more and will be back in Rockyford over the holiday.

Mr. McLeod is in charge of the 11 C in St. Walrod's absence.

Mr. and Mrs. C. C. Wilson and family spent Dominion Day in Calgary and returned on Monday morning.

Many of the people of town took to the sports and dance at Strathmore on the 1st. The boys played football in the morning and had the thrill of winning.

Mr. Percy Riley has returned from the hospital in Calgary where he has been having treatment on his eyes.

The Rockyford Ladies Aid are entertaining the football ladies at the church grounds on Thursday afternoon July 6th. A program has been prepared by Mrs. Dugan.

Two of the present school teachers of the district Jack Ebert and Wally Gibson have gone with a party from Calgary on a prospecting and gold mining expedition for the holiday months.

The district was treated to a nice rain last week which helped the crops to a great extent. Several more rains of this type would do much good to the crops.

Mrs. Clara Morton of Calgary was a visitor in Rockyford over the holiday.

The Ladies Institute of Nightingale held their regular meeting at the deliver home on June 29th.

At the close of a social hour the hostesses served a delicious lunch.

Valley Garden School closed with a picnic on June 29th. The chief amusement was two ball games. Mr. Hamilton and Mrs. Huxley acted as umpires.

A splendid lunch was served. Miss Toth will resume her duties in the month of July. Mr. Hamilton had 100 per cent attendance during the last year. Efficiency prizes were awarded to Tedford Thorson, Frank Carlson, Myrtle Stoddard and Thomas Stoddard.

Nightingale School held their picnic last Friday at the hall and residents to say all had a good time.

R. A. Lambert and family have moved back to the farm for the summer months.

Nightingale football team went to Deloucar last Friday and played a return game. Nightingale was in

the lead at the close of the summer played. Quite a number enjoyed the dance later in the evening.

We are sorry to learn of Mrs. McLeod's illness.

From another correspondent Mrs. Jacobs and family have moved to Nightingale for the summer months.

A successful school picnic was held at the school on Friday. Many races were run and the ball game between the school team and the ladies was great sport, ending in a tie.

Mrs. McLeod is recovering nicely since her recent operation.

Nightingale W. I. are pleased to hear that Mrs. Knapp is somewhat better since her illness.

## INVERLAKE

Mr. and Mrs. A. Person have just returned from a most enjoyable fishing trip to Spray Lakes and vicinity.

At last all of the 1932 threshing in the neighborhood has been completed. Some of the swathed wheat was very difficult to save.

Blackfoot Trail school closed on June 29th, as did most of the country schools and will not open its fall term until October 1, if then.

The C. P. R. construction crew is changing the highway bridge over the railway near here into a culvert which will reduce the expense of upkeep to a great extent.

## THE M. D. OF BOW VALLEY NOTICE TO RESIDENTS

Due to the prevalence of Grass hoppers in various parts of the Municipality residents are reminded that it is their duty to use poison bait in controlling and destroying these pests. The district has opened a bait mixing station at the U. G. G. elevator at Carleton Place and residents who have infestation of Grasshoppers can obtain bait at this station by simply going there and getting it. No charge is made for the bait supplied to residents of the Municipality. Residents are also reminded that it is their duty to use control measures in keeping down the number of cophers.

D. N. Gardiner, Sec. Treas.  
The M. D. of Bow Valley No. 219

Mr. and Mrs. James Tyler are planning a fund raising and camping trip to Pine Lake in the next few days. Several former residents of the neighborhood have purchased saw land there this spring.

Boile Chidion of Strathmore was the guest of Joyce Holson this week and before returning to her home went to Calgary to begin tacked vocal music lessons for the summer months.

Mrs. Florence Holson gave a two hours spinning and wool preparation demonstration before the provincial convention of the Women's Institute at Calgary recently.

A P. Hecke caught about 40 fish on a recent fishing trip to McGregor Lake.

Harry Plimmar, for many years farming in this district is devoting his time to an extensive agricultural career.

The many friends of Ralph Montague, son of Mr. and Mrs. J. A. Montague of this neighborhood will be pleased to hear that he has completed a most successful school year, in his preparation for a four year medical course at the former home in the United States.

The recent rise in wheat prices found very little, if any, wheat in the stores' hands. It had all been sold at the low prices in the spring.

Since the federal redistribution changes voters in this district do not know whether they have been placed in Medicine Hat, Macleod or Bow River constituency, until official maps have been issued.

Several farmers were forced to give up their summer sales on account of dry weather. The recent rain did not help pushing much, although it brightened up both crops and gardens wonderfully.

## PROPOSES AFTER 60 YEARS

Rome—Among newly wedded couples arriving here from France, Italy, Musolini's cheap railway fare plan recently, were Paolo Caranello, 79 and his wife, and his bride, the former Maria Beltrami, 80. Their courtship had lasted 60 years.

Ever since Paolo was 19 he had fields until a few years ago. Then he moved and found himself in neighboring houses. Their proximity prompted Paolo to suggest that he marry her.

He was accepted.
